

Tension Test Seidel 4J

|   | Modulus (Automatic Young's) [MPa] | Specimen number (included) | Maximum Force [kN] |
|---|-----------------------------------|----------------------------|--------------------|
| 1 | 475.78                            | 1                          | 1.30               |
| 2 | 210.29                            | 2                          | 1.02               |
