

Tension Test Seidel 4J

|   | Modulus (Automatic Young's) [MPa] | Specimen number (included) | Maximum Force [kN] |
|---|-----------------------------------|----------------------------|--------------------|
| 1 | 136.48                            | 1                          | 0.61               |
| 2 | 276.91                            | 2                          | 0.57               |
